THERE are eggs and eggs. The egg of yesterday looks, feels, measures and weighs like the egg of last month, but there's a difference in another respect, and that difference is worth money.

Its just so with laundry. The difference between good work and poor is slight to the unpracticed discernment, but it's a difference that counts every time. It's a difference that changes your laundry bill from an expense to an investment.

We do good work—it will cost no more than poor work but its worth double the difference.

WINE OF CARDUI

FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

McLREE'S Wine of Cardui

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

TIIOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."

WINE OF CARDUI

A Good Memory

often saves money and also good health. If you are troubled with constipation, indigestion or any form of stomach trouble remember to take home a bottle of Dr. Caldwell's Syrup Pepsin and health will be restored to you. Trial sizes five (5) doses (10c) large size 50c and \$1.00, of W. T. Brooks, druggist, Paris, Ky. (Jan-11)

Barber Shop Moved.

BUCK and BILL have moved their barber shop across the street, and now have the handsomest barber shop and bath rooms ever in Paris. All work done with neatness and dispatch. With thanks for past favors, Buck and Bill solicit a liberal share of the public patronage. (11)

Dr. Adair's Dental Parlors.

HAVING recently been several times asked if I was still conducting my dental parlors, I desire to inform the public that I am still at their service and can be found at my office opposite the Court-house. My interest in a bowling alley does not conflict with my practice. See my card in another column. (10 Oct-11) J. R. ADAIR, D. D. S.

A Really Historical Novel.

To produce a so called historical novel has been attempted by many, but with indifferent success by the majority, so far as history is concerned. Alike the best known and the most successful authors of this class are Scott, Kingsley and Lytton. In grouping books of this type in an order of merit based on their historical worth, it cannot be denied that "The Last of the Barons" should be awarded the first place, with "Henry Esmond" and "Hereward the Wake" bracketed as second. Victor Hugo's "L'Histoire d'un Crime," which has been called "the apotheosis of the special correspondent," is a notable example of a contemporary history written under a thin disguise of fiction. Pearson's Weekly

A Talented House Agent.

Mrs. Homeseeker—You certainly don't expect anybody to take this house? Why, the floors all run down hill. Agent (a smart man)—It was built in that way on purpose, mum, to keep peace in the family. Greatest invention of the age, mum.

Mrs. Homeseeker—Keep peace in the family? What do you mean? Agent—It's all right, mum; nothing like it. Whenever your husband drops his collar button, they'll roll down to that wall, and he'll always know where to find 'em.—London Tit-Bits.

Chinese Taxes Very Light.

The Chinese are perhaps the most lightly taxed people in the world. In China all the land belongs to the state, and a trifling sum per acre—never altered through long centuries—is paid as rent. This is the only tax in the country, and it amounts to about half a crown per head yearly.—London News.

A Mean Trick.

Smith—You say you write dunning letters to yourself and sign them with fictitious names. What do you do that for?

Jones—You see, my wife is always after me for money, and when she reads those letters she becomes discouraged. London Fun.

Something In It.

Miss Wellwood—Do you believe there is anything in love at first sight? Mr. Hardacre—Oh, yes. About nine times out of ten there's a divorce in it.—Exchange.
